Hands-Free Laser Therapy Carts with Flexible Armatures

PROVIDING HANDS-FREE VERSATILITY AND VALUE TO CLINICIANS

Allows Treatment of More Patients

Three foot long flexible armatures (sold separately) provide multiple simultaneous treatments. Use up to four at a time.

Lowens Costs

Hands-Free therapy allows you to treat more patients each day, multiplying patient satisfaction and growing your business. Also it trims labor costs.

Safe and Convenient Solution

The flexible armatures provide stationary laser therapy easily for as long as necessary.

This advanced technology has allowed us to fine tune our treatment plans with outstanding results.
